

Product End of Life Notification

EOL No: 2011-06-07-01.2

Report Date: June 7th, 2011

Subject: Wide Voltage/Extended Temperature End of Life

List of Products to be Discontinued:

VK204-25-V	VK204-25-V-E	VFD2041-V
VK204-25-422-V	VK204-25-422-V-E	VFD2041-V-E
LK204-25-422-V	LK204-25-422-V-E	

Due to the power dissipation and thermal properties of the Wide Voltage (-V) regulator, the above voltage and temperature variants will no longer be offered.

The Wide Voltage, Efficient Switching (-VPT) power option is recommended for applications that require operation within a wide temperature and/or voltage range.

Schedule of Change:

June 1, 2011

Documentation Revision

Revision	Changes	Date	Author
1.0	Initial Release	June 7, 2011	Clark
1.1	Added VFD2041	June 30, 2011	Clark
1.2	Changes to affected Products	January 30, 2013	Clark
